Tyre Breakdowns(NS Repair) Opicorp (PTY) Limited T/A Auto Carriers

- 1.** Puncture repair is the 1st option, if unable to repair and a new tyre needs to be fitted, refer to number 2

- 2.** If a new tyre is required, consent must be obtained from the person logging the breakdown, i.e Mr Ramesh Mohan or Mohamed Sha.

- 3.** In the event of a new tyre being fitted, the old tyre must be left with our driver(provided there is space available)

- 4.** Should there not be any space , the technician is to transport the tyre to his depot.

- 5.** All branches undertaking repairs must take photographs and provide failure reports, this must be emailed to Ramesh and Mohamed Sha.

- 6.** Reports will be used to determine if a tyre is to be collected or scrapped.
